

**THE REGISTRATION FEE IS REQUIRED
FOR ALL CA MEMBERS**

As Cocaine Anonymous clearly states, our primary purpose is to carry the message to the addict who still suffers. All C.A. events are open to anyone interested in the Twelve Step Program of recovery, so please come participate in our event so we can continue to grow our fellowship. Please support the 37th Annual Tri-state Convention by registering. Registering is very important in helping to carry the message and to continue being self-supporting. You must be registered to attend workshops, main events and use the hospitality room. The money that is collected from registration is used to pay for all convention related expenses. We believe once participants understand that fees from registration make the event possible and are used for the planning of present and future conventions, the reason then for registration should be clear. It is the support of each participants' registration or donation that helps our convention to be a success and allow us to carry the message to the newcomer.

ABOUT THE H&I NEWCOMER DONATION

This donation enables C.A. members to attend designated convention events that they would be otherwise unable to afford. These "scholarship" funds allow members to attend all marathon meetings, workshops, speaker meetings and newcomer events. Thanks to your contribution, all C.A. members are welcome to attend, newcomer scholarships are available at the registration table for those who cannot afford to pay the registration fee. Please contact the Registration chair.

CHILDREN

Children are welcome at this event, but their safety and consequences of their actions are their parents' responsibility. The Friday and Saturday night events are free for children accompanied by a registered adult.

BADGES

Since this is a registered event, badges must be worn at all times.

BANQUET TICKETS

Tickets should be purchased in advance; there may be a limited number of tickets to purchase on site.

We request that no photographs are to be taken of anyone in attendance, and that the personal anonymity of the guests is respected. Thank you.

Who is a C.A. Member?

While the name "Cocaine Anonymous" may sound drug-specific, we wish to assure you that our program is not. Many of our members did a lot of cocaine; others used only a little, and some never even tried coke. We have members who drank only on occasion, those who casually referred to themselves as drunks, and others who were full-blown alcoholics. Lots of us used a wide variety of mind-altering substances. Whether we focused on a specific substance or used whatever we could get our hands on, we had one thing in common: eventually we all reached a point where we could not stop.

According to C.A.'s Third Tradition, the only requirement for membership is a desire to stop using cocaine and all other mind-altering substances.

Whatever you may have been using, if it led you to this meeting, you're probably in the right place. Over time, virtually every single one of us has realized that our real problem is not cocaine or any specific drug; it is the disease of addiction.

It can be tempting to focus on our differences rather than our similarities, but this can blind us to potential sources of support in our recovery. As we hear other members' stories, the most important question to ask ourselves is not, "Would I have partied with these people?" but rather, "Do these people have a solution that can help me stay sober?" We encourage you to stick around and listen with an open mind.

With its all-inclusive Third Tradition and First Step, Cocaine Anonymous welcomes anyone with a drug or alcohol problem and offers a solution. C.A.'s Twelve Steps are not drug-specific, and Cocaine Anonymous is not a drug-specific Fellowship. It doesn't matter to us if you drank or what type of drugs you used; if you have a desire to stop, you are welcome here!
